

College of Veterinarians of British Columbia

Suggested Library and Resources

AVIAN & EXOTICS

- Harrison & Harrison: Clinical Avian Medicine & Surgery
- BSAVA Manual of Parrots, Budgies and Other Psittacines (Price Edition)
- Manual of Exotic Pets
- Petrak: Diseases of Cage & Aviary Birds
- Fowler: Medicine & Surgery of South American Camelids
- Exotic Companion Animal Medicine Handbook for Veterinarians
- Biology and Medicine of Rabbits and Rodents (2nd Edition)
- Fowler: Zoo and Wild Animal Medicine

AQUACULTURE

- BSAVA: Manual of Diseases of Aquarium Fish

FOOD ANIMAL

The reference material in a large animal practice will vary depending upon the specialization of the practice. Specialized practices will tend to utilize specialty group news letters and hand books as opposed to text books. The involvement in the species will determine the level of resource material necessary.

General

- S & G: Anatomy of Domestic Animals

Dairy & Beef Practice

- American Association of Bovine Practitioners
- Compendium of Continuing Education
- Greenough: Lameness in Cattle
- Howard: Current Veterinary Therapy
- National Mastitis Council
- Radostitis: Veterinary Medicine
- Reproduction & Obstetrics (various texts)
- VetOinics of North America (Food Animal Edition)
- Western Canadian Association of Bovine Practitioners

Swine

- American Association of Swine Practitioners
- Dunne: Diseases of Swine
- Various Swine Newsletters

Poultry

- American Association of Avian Pathologists handbook
- Calnek: Diseases of Poultry

EQUINE

General

- Colahan: Equine Medicine and Surgery (4th Edition)
- Robinson: Current Therapy in Equine Medicine (4th Edition)
- Rose & Hodgson: Manual of Equine Practice

Anatomy

- Ashdown: Color Atlas of Veterinary Anatomy - The Horse
- Sisson & Grossman: The Anatomy of the Domestic Animals

Clinical Pathology

- Eades: Laboratory Profiles of Equine Diseases

Dermatology

- Ackerman: Practical Equine Dermatology

Musculoskeletal

- Stashak: Adam's Lameness in Horses (4th Edition)

Neonatology

- Koterba: Equine Clinical Neonatology
- Madigan: Manual of Equine Neonatal Medicine

Neurology

- Mayhew: Large Animal Neurology

Nutrition

- Lewis: Equine Clinical Nutrition

Ophthalmology

- Barnett: Equine Ophthalmology (Color Atlas & Text)
- Lavach: Large Animal Ophthalmology

Radiology

- Butler: Clinical Radiology of the Horse
- Mendenhall: Equine Radiographic Procedures
- Schebitz: Atlas of Radiographic Anatomy of the Horse

Reproduction

- McKinnon & Voss: Equine Reproduction

Surgery

- McIlwraith & Turner: Equine Surgery Advanced Techniques
- McIlwraith & Turner: Techniques in Large Animal Surgery

Journals & Proceedings (strongly recommended)

- Compendium of Continuing Education
- Equine Veterinary Journal
- JAVMA
- Proceedings – American Assoc. of Equine Practitioners and Membership in AAEP
- Proceedings – BCVMA Equine Chapter Annual Delta Seminar
- Veterinary Clinics of North America – Equine Practice

SMALL ANIMAL

General

- Bircher & Sherding: Saunders Manual of Small Animal Practice
- Bonagura: Kirk's Current Veterinary Therapy Small Animal Practice (Vol. XII current – must have 3 of last 5)
- Erkwein: Instructions of Veterinary Clients (2nd Edition)
- Merck: Veterinary Manual (7th Edition)
- Morgan: Handbook of Small Animal Practice
- Tannenbaum: Veterinary Ethics (2nd Edition – current)
- Tilley & Smith: The 5 Minute Veterinary Consult Canine & Feline

Anatomy

- Boyd et al.: Color Atlas of Clinical Anatomy of the Dog & Cat
- Done et al.: Color Atlas of Veterinary Anatomy (Vol. 3 – The Dog & Cat)
- Dyce, Sack & Wensing: Textbook of Veterinary Anatomy
- Miller: Anatomy of the Dog
- Miller: Guide to the Dissection of the Dog
- Sisson & Grossman: Anatomy of Domestic Animals

Anesthesia

- Boden & Melling: Anesthesia of the Cat
- Hubbell, Muir & Skanrda: Handbook of Veterinary Anesthesia (2nd Edition)
- McKelvey & Hollingshead: Small Animal Anesthesia
- Paddleford: Manual of Small Animal Anesthesia
- Soma: Textbook of Veterinary Anesthesiology

Behaviour

- AAHA: Pet Behavior Problems
- Campbell: Behavior Problems in Dogs (2nd Edition)
- Hart & Hart: Canine and Feline Behavioral Therapy
- Overall: Clinical Behavior Medicine of Small Animals

Cardiology

- Darke et al.: Color Atlas of Veterinary Cardiology
- Miller & Tilley: Manual of Canine & Feline Cardiology (2nd Edition)
- O'Grady: Clinical Cardiology
- Tilley & Owens: Manual of Small Animal Cardiology
- Tilley: Canine & Feline Cardiac Arrhythmia

Clinical Pathology

- Andrews et al.: Color Atlas of Comparative, Diagnostic & Experimental Hematology
- Meyer et al.: Veterinary Laboratory Medicine: Interpretation and Diagnosis
- Thomson: General Veterinary Pathology
- Willard et al.: Small Animal Clinical Diagnosis by Lab Methods (2nd Edition)

Dermatology

- Griffin, Kwochka & MacDonald: Current Veterinary Dermatology
- Kummel: Color Atlas of Small Animal Dermatology
- Scott, Muller and Kirk: Small Animal Dermatology (5th Edition)
- Wilkinson & Harvey: Color Atlas of Small Animal Dermatology (2nd Edition)

Dentistry

- Bojrab: Small Animal Oral Medicine & Surgery
- Emily & Penman: Small Animal Dentistry
- Harvey & Emily: Small Animal Dentistry
- Harvey & Emily: Veterinary Dentistry
- Kertesz: Color Atlas of Veterinary Dentistry and Oral Surgery

Drug

- CDMV Veterinary Drug Manual
- CPS (3 years old or less)

Emergency Medicine

- Kirk & Bistner: Handbook of Veterinary Procedures and Emergency Treatment (6th Edition)
- Murtaugh & Kaplan: Veterinary Emergency and Critical Care Medicine
- Plinkett: Emergency Procedures for the Small Animal Veterinarian

Geriatrics

- Goldston & Hoskins: Geriatrics & Gerontology of the Dog & Cat
